## WORK HISTORY

---

Junior Web Developer

Aegas, Kyiv

September 2021 to April 2022

- Worked as a productive and positive team member to design, code, test, report, and debug operations.
- Managed front-end development in the projects, which were created by our team.
- Successfully identified, diagnosed, and fixed website problems, including broken links, typographical errors, routes to other pages, formatting issues and making models for APIs.
- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
- Evaluated and became knowledgeable in new standards, technologies, and trends in website development.

## EDUCATIONAL BACKGROUND

---

National Technical University of Ukraine "Igor Sikorsky Kyiv Polytechnic Institute"
